Name(s) : Punit K. Jha
Kaggle Team Name: PunitKJha

Part-2: Objection Detection by YOLO

1. **My best mAP value on Kaggle :**
   So my maP value was map 0.5315 in the notebook, which as per the Kaggle benchmark **(1-0.5315)= 0.4685**
2. **Did you upload final CSV file on Kaggle:**
   Yes, I did. (Name on leaderboard- **PunitKJha)**
3. **My final loss value :**
   The final best test loss was 2.669
4. **What did not work in my code(if anything):**
   My code passed all the tests given in the debugging notebook.
5. **Sample Images from my detector from PASCAL VOC:**
   Sample image from the PASCAL VOC test dataset are shown below:
